**GENERAL DESCRIPTION:** PURGE is a specially formulated heavy duty detergent designed to produce clean and sparkling tableware with one pass through the dishwasher. PURGE is formulated to handle the toughest food soils in all water conditions in High Temperature or Low Temperature dishmachines.

PURGE is dispensed directly from the shipping container, thus eliminating messy spills and unsightly dish areas. This unique product is formulated to be dispensed through an automated injector system, assuring the lowest possible use cost.

## PHYSICAL PROPERTIES:

Chemical Composition . . .Alkaline base; soil and mineral sequestering agents for water conditioning; metal and glaze protectants.

Appearance . . . . . Clear red liquid

pH . . . . . 14

pH of 1% solution . . . . . 12.4

Specific gravity . . . . . 1.34 (11.2 lbs./gal)

Solubility . . . . . Complete and Fast

Stability . . . . . 1 Year @ Ambient Temperature

Caustic . . . . . Present

Foaming . . . . . Low

Water Hardness Tolerance . .15 Grains Per Gallon at 0.3%  
10 Grains Per Gallon at 0.2%  
5 Grains Per Gallon at 0.1%

## RECOMMENDED RANGE OF USE CONCENTRATIONS:

Titrate with Institutional Alkalinity Test Kit. Use range is 0.1% to 0.3%, or 3 to 9 drops (each drop = .033%) using a 10 ml sample and 3 drops of Phenolphthalein Indicator. Select actual use concentration to handle water hardness and soil load.

NOTE: To properly titrate, adjust for raw water alkalinity by titrating H<sub>2</sub>O just as you would a detergent solution. Subtract that number from total drop titration to derive intended detergent concentration.

Example: Raw water titrates 2 drops, total drop titration equals 8 drops. (8 - 2 = 6 x .033% = 0.2%)

## HANDLING PRECAUTIONS:

### CAUTION: WARNING

#### KEEP OUT OF REACH OF CHILDREN.

Highly alkaline liquid. Contact with skin and eyes may cause severe irritation. Harmful if swallowed. Flood with water if splashed in eyes. Flush with water for 15 minutes and consult physician immediately. If ingested, drink large amounts of milk, milk of magnesia or gelatin, or if these are not available, drink large amounts of water. DO NOT induce vomiting. Obtain prompt medical attention.

## PACKAGING:

5 gal plastic pail - 56 lbs. net / 59 lbs. gross  
4x1 gal case- 36lbs net/ 38 lbs. gross
